OUR PRODUCT

Little Tycoons Playground Sets are designed to help in the development of Kids' **PHYSICAL, MENTAL & EMOTIONAL** health.

Each Equipment Part is designed to enhance children's imaginative skills and help them develop inter-personal relations with other children at play.

Having our equipment in your establishment attracts and provides every child with **CHEERFUL ATMOSPHERE**, making them learn while having fun.

Our Playground Equipment Plastic Parts are moulded using LLDPE (Linear Low Density Polyethylene) Food Grade plastic resin. Built using our U.S. acquired technology, hard engineering plastic moulding machines makes our plastic parts lasts for years against cracks and discoloration.

.....
Metal Parts

The Pillars of our Playground Structure are made using a standard 4" Galvanized Steel Pipes material which can be upgraded to either Aluminum or Stainless Steel for areas with high sodium humidity. Electrostatic Powder Coat Paint Finish with variety of colors for clients' choice. The Platforms and Stairs are paint finished using TCIC System Spray and can also be Rubber Coated for Anti-Slip. Clamps, Connectors and Footings are Specially Moulded Zinc Metal and Connected via Stainless Steel Bolts, Nuts and Washers.
