OUR PRODUCT

Little Tycoons Playground Sets are designed to help in the development of Kids' **PHYSICAL, MENTAL & EMOTIONAL** health.

Each Equipment Part is designed to enhance children's imaginative skills and help them develop inter-personal relations with other children at play.

Having our equipment in your establishment attracts and provides every child with **CHEERFUL ATMOSPHERE**, making them learn while having fun.

Our Playground Equipment Plastic Parts are moulded using LLDPE (Linear Low Density Polyethylene) Food Grade plastic resin. Built using our U.S. acquired technology, hard engineering plastic moulding machines makes our plastic parts lasts for years against cracks and discoloration.
